

» Board of trustees

The Foundation is run by a Board of Trustees which is the governing, representative and administrative body composed of 15 people. Seven of the Board members are Roma, four are from different levels of the public administration and the remaining four are from other important fields: the University, the Media, the Church and the Banking sector. It also has an Honorary President and a Secretary with no executive powers.

The Board's role is to define the FSG's action priorities, to make sure that its aims are properly met, to manage resources and pass the budgets and accounts corresponding to each fiscal period.

In 2009, the Board of Trustees held two plenary meetings on 4 June and 18 December. The Standing Committee (composed of the President, Vice-President, Secretary and General-Director) held follow-up meetings on 5 March, 29 May, 9 October, 25 November and 17 December. The Foundation's Board of Trustees, together with its Honorary President, were featured in the "Profiles" section of the 50th issue of the publication entitled *Gitanos, Pensamiento y Cultura* (Roma Thought and Culture) which provided a brief assessment of the advances made by the Roma community over the last decade and the FSG's new Strategic Plan.
